## **Kita Biosonic Peace Machine Basic One Practitioner Training**

**A Revolutionary Tool of Sound Medicine for the 21st Century**

*The Kita Biosonic Peace Machine (KBPM) combines the power of sound to heal with the efficacy of Traditional Chinese Medicine which dates back over 5,000 years.*

This 'State-of-the-Art' technology developed in Japan provides a natural, nurturing, and noninvasive application to benefit health and well being and support the body's natural ability to self-heal.

**Recipients report having an immediate response of:**

- Reduced Anxiety - Balancing the 'Fight or Flight' (ANS) Response
- Relaxation and Peace of Mind & Body with less Stress
- Increased Energy, less puffiness, feeling lighter- Clears Toxins
- Less Muscular - Skeletal Pain

**Through extensive 'hands-on' practice you will learn:**

- The origin, historical and current uses of Sound in healing
- The Scientific and Quantum applications of Sound with the KBPM
- Proficiency in providing 60 minute, 30 minute and mini demo sessions for clients, family, & friends to promote your services
- To create Peace in Mind and Body and a 'Self-Care Practice'

*Most practitioners realize a return on their investment within a few months.*
